5 UNITED STATES DISTRICT COURT
6 FOR THE DISTRICT OF WASHINGTON

8 DEBRA ANN PETERSON,

9 Plaintiff,

10 vs.
11

12 SECRETARY OF HEALTH AND
13 HUMAN SERVICES,

14 Defendant.
15

No. 2:14-CV-052-RHW

ORDER TO PROCEED
IN FORMA PAUPERIS AND
STRIKING REPORT AND
RECOMMENDATION CASE
MANAGEMENT DEADLINE

16 Because of Plaintiff's failure to respond to the Order Denying Application to
17 Proceed *In Forma Pauperis* within the time allowed, the Court entered a Report
18 and Recommendation, ECF No. 4. Thereafter, Plaintiff filed a second Application
19 to Proceed *In Forma Pauperis*, ECF No. 5, in response to the Court's Order
20 Denying IFP status, ECF No. 3. Because it appears Plaintiff remedied the
21 information contained in the first Application, and lacks sufficient funds to
22 prosecute this action, the District Court Executive shall file the Complaint without
23 payment of the filing fee. Summons may issue in the captioned matter.

24 It is noted that the date on Plaintiff's second Application was an error. The
25 Court assumes it was a scrivener's error, and construes the Application to be dated
26 as of the date it was filed.

27 In addition, because the Application to Proceed *In Forma Pauperis* has been
28 supplemented, the Report and Recommendation, ECF No. 4, is moot. The District

1 Court Executive is directed to strike the Case Management Deadline relating to the
2 Report and Recommendation.
